CLAIRVOYANTS

CLAIRVOYANT, PROF. GEORGE E. LANG,

226 South Washington St.

If you are in trouble of any kind, discontented, unhappy, have had bad luck, or any troubles that annoy you, Prof. Lang will tell you about them and how to overcome them. His advice and assistance have made thousands happy. It will help you. The reason Prof. Lang has attained great success is because of the manner in which he deals with his clients. In the first place, his business methods are absolutely clean and honest: he never promises more than he is absolutely sure that he can do; he gives a dollar's worth of honest advice for a dollar; he makes no misleading or unbusinessifies propositions; while he is anxious to help everyone, he wants to do so upon an honest, fair, and square basis, with mutual confidence and respect between himself and client. If he cannot help you, he will not take your money. He has carnestly devoted his life to the exclusive study of his profession, and stands today without an equal in his work. He has mastered every secret pertaining to psychic phenomena, and has thoroughly developed every phase of mental mediumship. All who consuit him are sure to get the best that can be had in his line.
